*Executive National Bank's Branches Participate in CFF's "Give From the Heart"*

Miami, FL March 4, 2011- Executive National Bank was proud to partner with the Cystic Fibrosis Foundation in February to promote their "Give From the Heart" campaign.

The Cystic Fibrosis Foundation is a non-profit, donor-supported charity based in the United States. Their mission is to "assure the development of the means to cure and control cystic fibrosis and to improve the quality of life for those with the disease." Founded in 1955, the Cystic Fibrosis Foundation has helped people living with Cystic Fibrosis by providing access to clinical trials, expert treatment at 115 care centers, and access to resources that educate the public and advance a cure.

Thanks to the generosity of its customers and employees, Executive National Bank collected over \$250. We owe special thanks to Jeanette at the Kendall Branch and Maria at the Tamiami Branch. We appreciate your support!
